Video Editing Work (Clickable Links)

[Street Gems](#)

- Own a YouTube channel that specializes in history documentaries
- Responsible for almost all aspects of the creative process, including research, script writing, sourcing footage, editing, motion graphics, color correction, and voice over
- So far produced 8 long form videos, 5 of which reached between 200k-800k views
- A lot of thought and attention to detail is put into the storytelling, shot selection, and audio
- Currently in the process of getting sponsorships

[Monaco](#)

- Worked closely with a team to produce a short film in just 24 hours as part of [The 24 Hour Film Race](#)
- The film won 3rd place and was screened at the [Cobb International Film Festival](#)

[Puppets](#)

- Edited a short documentary about a puppet maker in Portland, Oregon, with full creative license from the film maker about how to shape the direction of the story and the editing
- Film has a magical and melancholic atmosphere that feels almost from a different world

[Junkbird](#)

- Was the editor on a short fiction film for a Vancouver acting college
- The film was a comedy horror genre with a vintage esthetic and a quirky sense of humour

[Hockey at Old Age](#)

- Edited a short documentary about senior citizens in their 70's who still play hockey as a passion
- Worked closely with the director on crafting a coherent story out of hours of footage

[Van Man](#)

- Created a YouTube series about my travels around Western Canada, working as a window washer
- Produced 4 seasons (46 videos) that tell my personal story of trials and tribulations on the road
- Responsible for the entire creative process, from writing, to filming, editing, and narration
- Videos have a quirky style, with engaging storytelling and a self-deprecating sense of humour

[Various Small Clients](#)

- Edited multiple small projects for individual clients, like cover band performances and private events

Education

Video Production Associate Certificate at BCIT

- Focus is on editing, but took classes in camera ops, photography, sound design, and After Effects
- One important course was on assistant editing using Avid Media Composer
- Graduated in December 2023

Digital Marketing Professional Diploma - RED Academy

- Successfully completed an intensive full-time course in digital marketing
- Studied paid media (Adwords and Facebook Ads), email marketing, content strategy and SEO
- Collaborated in teams on digital marketing plans for three real clients as part of the program

University of British Columbia – Bachelor of Arts

- Majored in Ancient History and Classical Archaeology
- This passion has recently been revived through the new Youtube channel

Transferable Work Experience

Sycamore Home Services – Self Employed

2014-2023

- Operated a small home services business with a strong work ethic and business acumen
- Built a loyal customer base in Calgary and Saskatoon, with repeat clients year after year
- Extensive sales experience, having knocked on tens of thousands of doors and sold thousands of jobs
- Excellent client relation skills with clear communication and superb customer service
- Effective problem-solving skills and strategic decision making
- Take pride in the work, with attention to detail and a healthy dose of perfectionism

Passions and Person Interests

- History, Geography, Art History, Architecture, and Travel, currently expressed through the new YouTube channel Street Gems
- Combined with the love for editing, this channel is the perfect passion project
- Keen interest in videography, with the goal to properly learn how to film in 2024
- Other interests include languages, music, and coffee culture
